WHO COLLABORATING CENTRE FOR CLIMATE  
CHANGE AND HEALTH IMPACT ASSESSMENT

# Quantitative Health Impact Assessment through an Air Pollution Lens: A Methods Masterclass

23rd April 2024

<https://research.curtin.edu.au/whocc-cchia/>

I acknowledge the Wadjuk Nyungar people,  
Traditional Custodians of the land on which I sit and  
pay my respects to their ancestors and Elders past,  
present & emerging.

# About us

- Ivan Hanigan PhD, Environmental Epidemiologist, Director of Curtin's WHO CC for CC and HIA
- Research on modelling approaches to quantify the impacts of environmental hazards on health (e.g. bushfire smoke, heatwaves and drought)

- Prof Geoffrey Morgan, Environmental Epidemiologist, Leader of Environmental Health research and teaching at University of Sydney
- Doyen of Australian Air Pollution Epidemiology

# The HIA Process

See Aus EnHealth guidelines 2017
